(The Board reserves the right to accept any available market premium on the Bonds (without a corresponding reduction of the election authorization of \$56,000,000) so long as such acceptance results in the lowest interest cost on the Bonds.)

If the Bonds are issued as planned a property tax to pay debt service on the Bonds will be required over a period of not more than twenty-one (21) years in the estimated amount of \$10.27 per month or \$123 per year on a \$639,000 primary residence and in the estimated amount of \$18.68 per month or \$224 per year on a business property/non-primary residence having the same value.

The foregoing information is only an estimate and is not a limit on the amount of taxes that the District may be required to levy in order to pay debt service on the Bonds. The District is obligated to levy taxes to the extent provided by law in order to pay the Bonds.
